COMPLAINT & JURY DEMAND

Case No.:

Case Classification: other contracts

Case Code: 30303

NOW COMES Plaintiff, Kalin Express Inc., by and through its attorneys

CONSUMER LEGAL SERVICES, by Steven S. Toth and Ronald J. Bolz, and

FELDNER LAW OFFICES, by Jerome T. Feldner, who complains against the above-named Defendant as follows:

PARTIES

1. Plaintiff is a Domestic Corporation authorized to do business in the State of Wisconsin with its principal office located at 397 East Lilly Drive, Oak Creek, WI 53154-3014.

FACTS

3. On or about November 8, 2019, Plaintiff took delivery of a new 2020 Kenworth T680, Vehicle Identification Number 1XKYD49X2LJ422269 (hereinafter referred to as the "2020 Kenworth"), from Wisconsin Kenworth (hereinafter referred to as the "Seller") in Dane County, WI which was manufactured by the Defendant (see copy of Motor Vehicle Purchase Contract and Vehicle Invoice listing a "Selling Price" of \$177,820.50 that were included in the documents attached to Plaintiff's Motor Vehicle Lemon Law Notice and Nonconformity Report that were sent to Defendant that are attached hereto and marked as Exhibit A).

4. The 2020 Kenworth was sold to Plaintiff with written warranties and other express and implied warranties including, by way of example and not by way of limitation, warranties provided by Defendant that were given to Plaintiff at the time of purchase by Seller (a copy of the written warranties, including but not limited to the express "Original Manufacturer Warranty" as referenced on the Motor Vehicle Purchase Contract included in Exhibit A, are in the possession of Defendant).

5. Plaintiff has taken the 2020 Kenworth to Defendant's authorized dealers and/or authorized service centers for repairs on numerous occasions with it being out of service well in excess of 30 days because of one or more defects during its first year under warranty. By way of example and not by way of limitation, the defects with Plaintiff's 2020 Kenworth include the following:

<u>Date</u>	<u>Mileage</u>	<u>Complaint</u>

06/26/20 - 06/29/20	69,994	<u>ENGINE DEFECT</u> : Truck brought back again for using/loosing coolant – no leaks seen on the ground
08/19/20	91,081	<u>ENGINE DEFECT</u> : Customer states that he has gone through 1 to 1.5 gallons of coolant in the last 10,000 miles – coolant level is about 2 inches below minimum – starts the truck and it drops further – coolant level will be at minimum when warm – low coolant light is on – check engine light will come on when going over hills – coolant leak at manifold on right side of firewall that heater hoses connect to; exhaust flex behind sleeper is broken

6. This cause of action arises out of Defendant's various breaches of warranties and violations of statutes as hereinafter alleged.

7. The amount in controversy exceeds TEN THOUSAND DOLLARS (\$10,000.00), exclusive of interest and costs, for which Plaintiff seeks judgment against Defendant, together with any equitable relief. In addition, Plaintiff seeks damages from Defendant for the amount of incidental, consequential, collateral costs and actual damages, together with interest, costs and actual attorneys' fees.

COUNT I
BREACH OF EXPRESS WARRANTY

8. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 7 as though herein fully restated and realleged.

9. Plaintiff is a "buyer" under the Wisconsin Uniform Commercial Code, W.S.A. 402.103(1)(a).

10. Defendant is a "seller" under the Wisconsin Uniform Commercial Code, W.S.A. 402.103(1)(d).

11. The 2020 Kenworth constitutes "goods" under the Wisconsin Uniform Commercial Code, W.S.A. 402.105(1).

12. This is a "transaction in goods" to which W.S.A. 402.102 and W.S.A. 402.105(1) are applicable.

13. Plaintiff's purchase of the 2020 Kenworth was accompanied by an express warranty, written and otherwise offered by Defendant. Whereby this express warranty was part of the basis of the bargain of the contract upon which Plaintiff relied when purchasing the 2020 Kenworth.

14. In this express warranty, Defendant warranted that if any defects were discovered within certain periods of time, Defendant would provide repair of the 2020 Kenworth free of charge to Plaintiff under specific terms as stated in the express warranty.

15. Plaintiff discovered the 2020 Kenworth had defects and problems that

were discovered after Plaintiff took delivery of this vehicle as discussed above.

16. Plaintiff notified Defendant and/or Defendant's authorized motor vehicle dealers of the aforementioned defects.

17. Plaintiff provided Defendant with sufficient opportunities to repair or replace the 2020 Kenworth.

18. Plaintiff reasonably met all of the obligations and pre-conditions as provided in the express warranty.

19. Defendant and/or Defendant's authorized motor vehicle dealers have failed to adequately repair the 2020 Kenworth and/or have not repaired the 2020 Kenworth in a timely fashion and the 2020 Kenworth remains in a defective condition.

20. Even though the express warranty provided to Plaintiff limited Plaintiff's remedy to repair, replace and/or adjust defective parts, the 2020 Kenworth's defects have rendered the limited warranty ineffective to the extent that the limited remedy of repair, replace and/or adjustment of defective parts failed of its essential purpose pursuant to W.S.A. 402.719(2); and/or the above remedy is not the exclusive remedy under W.S.A. 402.719(1)(b).

21. The 2020 Kenworth continues to contain defects which substantially impair the value of the motor vehicle to Plaintiff.

22. These defects could not reasonably have been discovered by Plaintiff prior to Plaintiff's acceptance of the 2020 Kenworth.

23. Defendant induced Plaintiff's acceptance of the 2020 Kenworth by agreeing, by means of the express warranty, to remedy, within a reasonable time, those

defects which had not been or could not have been discovered prior to acceptance.

24. As a result of the 2020 Kenworth's many and continuing defects, Plaintiff has lost faith and confidence in the 2020 Kenworth and Plaintiff cannot reasonably rely upon the vehicle for the ordinary purpose of safe and efficient transportation.

25. Plaintiff alleges that as of the date of the filing of this Complaint, the 2020 Kenworth was in substantially the same condition as at delivery except for damage caused by its own defects and ordinary wear and tear. Therefore, Plaintiff is entitled to damages for breach of warranty calculated by the difference at the time and place of acceptance between the value of the 2020 Kenworth as accepted and the value it would have had if it had been as warranted.

26. Defendant has refused Plaintiff's demands and has refused to provide Plaintiff with the remedies to which Plaintiff is entitled pursuant to W.S.A. 402.313, 402.714 and 402.715.

WHEREFORE, Plaintiff demands judgment against Defendant:

- A. For damages incurred by breach of the express warranty;
- B. For a refund of the purchase price paid by Plaintiff for the 2020 Kenworth;
- C. To cancel the retail installment contract and pay the balance on the same;
- D. For incidental, consequential and actual damages;
- E. For costs, interest and actual attorneys' fees; and
- F. For such other equitable relief that this Court deems appropriate.

COUNT II
VIOLATION OF REPAIR REPLACEMENT AND REFUND UNDER
NEW MOTOR VEHICLE WARRANTIES ACT, W.S.A.218.0171 ET SEQ

27. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 26 as though herein fully restated and realleged.

28. Plaintiff is a "consumer" under the Wisconsin New Motor Vehicle Warranties Act (hereinafter referred to as the "Lemon Law"), W.S.A. 218.0171(1)(b).

29. Defendant is a "manufacturer" under the Lemon Law, W.S.A. 218.0171(1)(c).

30. The 2020 Kenworth is a "motor vehicle" under the Lemon Law, W.S.A. 218.0171(1)(d).

31. Seller is a "motor vehicle dealer" under the Lemon Law, W.S.A. 218.0171(1)(e).

32. Plaintiff's 2020 Kenworth has been subject to a reasonable attempt to repair the aforementioned nonconformities:

- (a) the same warranty nonconformity with the 2020 Kenworth has been subject to at least four repair attempts by Defendant, through its authorized motor vehicle dealers within the term of the Defendant's express warranty applicable to the 2020 Kenworth or within one year from the date of delivery to Plaintiff; and/or
- (b) the 2020 Kenworth was "out of service" as defined by W.S.A. 218.0171(1)(g) for thirty (30) or more days within the terms of

express warranty applicable to the 2020 Kenworth, or within one year from the date of delivery to Plaintiff.

33. The 2020 Kenworth continues to manifest the aforementioned nonconformities.

34. The aforementioned nonconformities substantially impaired the use, value and/or safety of the 2020 Kenworth to the Plaintiff.

35. On or around September 14, 2020, Defendant received Plaintiff's request for a comparable replacement vehicle and a refund of Plaintiff's collateral costs pursuant to the Lemon Law, W.S.A. 218.0171 (see copy of USPS Certified Mail Receipt, Plaintiff's Motor Vehicle Lemon Law Notice and Nonconformity Report and the documents included with Plaintiff's Motor Vehicle Lemon Law Notice and Nonconformity Report once again attached hereto and marked as Exhibit A).

36. Defendant failed to comply with Plaintiff's request for a comparable replacement vehicle and a refund of Plaintiff's collateral costs pursuant to the Lemon Law and instead sent an October 13, 2020 dated letter from Jeffrey S. Fertl indicating Defendant would be denying Plaintiff's claim (see copy of October 13, 2020 letter from Jeffrey S. Fertl attached hereto and marked as Exhibit B).

WHEREFORE, Plaintiff demands judgment against Defendant:

A. To refund to Plaintiff the full purchase price, plus any sales tax, finance charges, amount paid by the Plaintiff at the point of sale and collateral costs;

B. Pursuant to W.S.A. 218.0171(7), Plaintiff is entitled to the amount of any pecuniary loss, together with costs, disbursements and actual reasonable attorneys'

fees;

- C. For prejudgment interest; and
- D. For such other equitable relief that this Court deems appropriate.

COUNT III
VIOLATION OF REPAIR REPLACEMENT AND REFUND UNDER
NEW MOTOR VEHICLE WARRANTIES ACT, W.S.A.218.0171 ET SEQ

37. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 36 as though herein fully restated and realleged.

38. The 2020 Kenworth does not conform to Defendant's express warranty due to the inability of Defendant and/or Defendant's authorized repair facilities to repair the aforementioned nonconformities. [W.S.A. 218.0171(2)(a)]

39. Plaintiff reported the aforementioned nonconformities to Defendant and/or Defendant's authorized motor vehicle dealers. [W.S.A. 218.0171(2)(a)]

40. Plaintiff made the 2020 Kenworth available for repair before the expiration of Defendant's warranty and/or one year after first delivery of the 2020 Kenworth to Plaintiff. [W.S.A. 218.0171(2)(a)]

WHEREFORE, Plaintiff demands judgment against Defendant:

- A. For all damages resulting from Defendant's breach of warranty;
- B. For all damages attributable to Defendant's inability to repair the 2020 Kenworth;
- C. Pursuant to W.S.A. 218.0171(7), Plaintiff is entitled to the amount of any pecuniary loss, together with costs, disbursements and actual reasonable attorneys' fees;
- D. For prejudgment interest; and

E. For such other equitable relief that this Court deems appropriate.

Re: Kalin Express/Petar Pilipovic v. PACCAR Inc.
Vehicle: 2020 Kenworth T680 - VIN#: 1XKYD49X2LJ422269

Dear Mr. Pilipovic:

We have had an opportunity to review your Lemon Law Notice as well as the information available on vehicle repairs.

Under the Wisconsin Lemon Law the alleged warranty nonconformity must substantially impair the use, value or safety of the vehicle. In addition, the vehicle must be out of service for more than 30 days due to warranty nonconformities or the same warranty nonconformity must be subject to repair on 4 occasions and continue. From our review of the repair records, your vehicle has not been out of service for more than 30 days due to warranty nonconformities nor have there been 4 repair attempts on the same nonconformity and the nonconformity continues. Furthermore, the issues have not substantially impaired the use, value or safety of the vehicle. Accordingly, since your vehicle does not satisfy the elements of the Wisconsin lemon law, PACCAR Inc. is respectfully denying your lemon law claim. If you have additional information to the contrary, please provide that to us.

Very truly yours,

HINSHAW & CULBERTSON LLP
